

## Dell Workgroup Laser Printer 5210n / 5310n

### Product description

## Dell Workgroup Laser Printer 5210n

## Dell Workgroup Laser Printer 5310n

### NEVER RUN OUT OF TONER AGAIN!

The Dell Toner Management System™ monitors toner levels, notifies you before you run out of toner and gives you a direct link to Dell online for easy ordering.

### SERVICE AND SUPPORT

- 12 months' Next Business Day Onsite Repair and Dell Technical Support included<sup>5</sup>
- You can use the Dell Online Support site for the most up-to-date drivers and technical information about your printer

### RECYCLING MADE SIMPLE

Recycling printers with Dell is easy, safe and no charge to the customer. Visit [www.dell.com/recycling](http://www.dell.com/recycling) for details.

- Each Dell printer includes instructions for returning an old printer for recycling
- Dell pays shipping charges for printer recycling
- Cartridge recycling now available in most Western European countries

<b>Maximum current while printing</b>	5.3 A at 230 v AC		
<b>Power Save options</b>	User-definable - 5-240 minutes (default 30 min)		

### DELL™ MAKES IT EASY TO BUY, USE AND OWN PRINTERS

#### Easy to buy

- Dell Direct Advantage: purchase online or through our professional sales team
- Great price-performance

#### Easy to use

- Pre-loaded drivers for quick plug-and-play setup (when ordered with a Dell system)
- Dell Toner Management System™

#### Easy to own

- Convenient toner ordering and delivery
- Industry-leading Dell service and support
- Single point of accountability

Dell Workgroup Laser Printer 5210n / 5310n

### High speed, high quality, low total cost monochrome laser printers for medium and large workgroups.

The **Dell Laser 5210n** and **Dell Laser 5310n** mono printers represent Dell's latest generation of fast networked mono laser printers, and provide workgroup versatility and superior performance for a wide variety of documents and users.

These fast, durable, stylish and highly affordable monochrome laser printers are built for today's demanding enterprise network or office environments. Standard features include high-speed, high-quality printing, a high duty cycle, a wide range of supported Operating Systems and user documentation in all major Western European languages: optional upgrade facilities support expanded paper input and output options, wireless connectivity and duplex functionality.

## The Dell Laser Printer 5210n/5310n delivers:

#### Excellent performance

- Fast monochrome printing - up to 47 A4 ppm (5310n), 38 A4 ppm (5210n) (*Actual print speeds may vary depending upon systems configuration, software, application and document complexity*)
- Crisp text and enhanced graphics - default 1200 Image Quality print resolution
- Expandable memory to allow fast printing of high-quality complex documents – up to 576 MB (5210n), up to 640 MB (5310n)
- Robust - up to 200,000 (5210n) or 250,000 (5310n) pages per month print volume (Duty Cycle)
- Low cost per page and low total cost of printing
- High-capacity toner cartridges available for optimum cost-per-page (*Toner yields vary with usage and environmental conditions*)

#### Easy to use

- Step-by-step instructions for easy setup to your network
- Graphical user messages
- Standard 500 sheet drawer standard; up to four additional optional 500 sheet drawers can be fitted to give maximum input capacity 2600 A4 pages
- Dell Toner Management System™ tells you when the printer is low on toner
- Secure printing with PIN access

#### Easy to Own and Manage

- Connect easily through Ethernet networking and USB 2.0 port as standard
- Optional wireless connectivity (Western Europe only)
- Network-accessible printer status and E-mail notification of printer alerts and status
- Wide range of Client and Network Operating Systems supported

#### Quality Dell service and support

- 12 months' Next Business Day Onsite Repair and Dell Technical Support included
- Dell's networked laser printers include fuser kit replacement as scheduled maintenance with your limited warranty. It's an exclusive Dell advantage that helps ensure your printer's ongoing performance and output quality whilst reducing your total cost of printing.
- Two, three, four and five-year extended service offerings available (varies by country and region)

#### NOTES

<sup>1</sup> Print speed quoted refers to A4 Simplex (single-sided) page using default print mode (1200 IQ). Actual print speed may vary depending upon system configuration, software application and document complexity.

<sup>2</sup> Combinations that include three or more option trays may require a printer stand for improved stability and safety.

<sup>3</sup> Tested in accordance with ISO/IEC 19752 testing methodology. Yields vary with usage and environmental conditions.

<sup>4</sup> Simplified Chinese and Japanese are not supported on the device's internal pages.

<sup>5</sup> Dell OpenManage™ Printer Manager software is available in English only; support is available for this product in France, Germany and the United Kingdom.

<sup>6</sup> Service may be provided by third party. Technician will be dispatched if necessary following phone-based troubleshooting. Subject to parts availability, geographical restrictions and terms of service contract. Service timing dependent upon time of day call placed to Dell. Defective unit must be returned. Replacements may be refurbished.

<sup>7</sup> Typical measurements based on ISO 7779.

<sup>8</sup> Tested in accordance with ISO 7779 and reported in accordance with

Subject to availability specifications are correct at date of publication and may change without notice. Terms and Conditions of Sales, Service and Finance apply and are available on request or at [www.dell.co.uk](http://www.dell.co.uk)

## Dell Workgroup Laser Printer 5210n / 5310n Key Differences

5210n	5310n	
Print speed	Up to 38 A4 pages per minute (ppm)	Up to 47 A4 pages per minute
Duplex option	Duplex print speed up to 32 ppm A4	Duplex print speed up to 36 ppm A4
Processor	400 MHz	514 MHz
Memory (RAM)	64 MB standard, 576 MB maximum	128 MB standard, 640 MB maximum
Duty cycle	Up to 200 000 pages per month	Up to 250 000 pages per month
Toner cartridge capacity	Standard and high-capacity recyclable toner cartridges available	Standard, high-capacity and 'extra high-capacity' recyclable toner cartridges available for lowest cost per printed page

## Customise your printer to meet your unique needs with a range of productivity options

Description	Accessory un-installed	Installed
<ul style="list-style-type: none"> <li>Standard capacity toner cartridge (approximate yield 10 000 pages, based upon 5% coverage<sup>3</sup> - yields vary with usage and environmental conditions) included as standard with each new printer</li> <li>High-capacity toner cartridge (approximate yield 20 000 pages, based upon 5% coverage<sup>3</sup> - yields vary with usage and environmental conditions) available for both 5210n and 5310n printers</li> <li>Extra high-capacity toner cartridge (approximate yield 30 000 pages, based upon 5% coverage<sup>3</sup> - yields vary with usage and environmental conditions) available for 5310n printer for lowest cost per printed page</li> </ul> <p><i>Standard and 'Use and Return' Cartridges available for both 5210n and 5310n</i></p>		
Save paper, add a duplex unit for double sided printing		
<ul style="list-style-type: none"> <li>500 sheet A4 paper drawer as standard</li> <li>Paper drawer can be adjusted for different paper sizes</li> <li>Optional additional 500 sheet paper drawers are also available</li> <li>Up to four 500 sheet A4 paper drawers can be stacked per printer - maximum input capacity 2600 pages</li> </ul>		
<p>Output expanders hold an additional 650 pages each</p> <ul style="list-style-type: none"> <li>Add up to three Output Expanders, each with a capacity up to 650 pages, stacked vertically</li> <li>Maximum output capacity 2200 pages</li> <li>Documents can be sent to any of the installed output expanders, allowing for easy sorting of large print jobs</li> </ul>		
Envelope feeder option holds up to 85 envelopes		
<ul style="list-style-type: none"> <li>Now you can locate and access your printer wirelessly almost anywhere with the optional 5210n / 5310n internal wireless adapter</li> <li>Wireless adapter supports 802.11 b/g</li> </ul> <p><i>NOTE: PC must have compatible wireless capability</i></p>		

## Dell Workgroup Laser Printer 5210n / 5310n Product description

Features	Description	□ = 5210n	□ = 5310n
<b>Product description</b>	High speed, high quality, low total cost monochrome laser printers for medium and large workgroups		
<b>Printer Specifications</b>			
<b>Print Speed<sup>1</sup></b>	(5210n) Up to 38 A4 pages per minute (5310n) Up to 47 A4 pages per minute		
<b>First page out time</b>	7.1 seconds (Simplex A4, 600 dpi) 8.5 seconds or less (Simplex A4, 600 dpi)		
- From 'Ready' state	24 seconds (Simplex A4, 600 dpi) 28 seconds (Simplex A4, 600 dpi)		
- From 'Power Saver' mode	37 seconds to 'Ready' state on LCD panel		
- From 'Power On'	600 x 600 dpi, 1200 x 1200 dpi, 1200 Image Quality (Default driver setting), 2400 Image Quality		
<b>Print Resolution</b>	4 line x 20 character backlit LCD (text and graphics), 3 button / 5 way cursor keypad		
<b>User interface</b>	PCL® 6 Emulation, PostScript® Level 3 Emulation, 32 bit and 64 bit		
<b>Data streams</b>	400 MHz 514 MHz		
<b>Processor</b>	64 MB standard, 576 MB maximum 128 MB standard, 640 MB maximum		
<b>Memory (RAM)</b>	One 100 pin DDR DIMM memory expansion slot available for optional memory extension		
<b>Memory expansion</b>	Up to 200 000 pages per month Up to 250 000 pages per month		
<b>Duty Cycle</b>			
<b>Paper Handling</b>			
<b>Standard input sources</b>	500 sheets covered drawer (75 gsm stock) and 100 sheet multipurpose tray		
<b>Addition input drawers</b>	Up to four optional 500 sheet drawers can be fitted		
<b>Maximum input capacity</b>	2600 sheets (500 drawer standard + 100 multipurpose tray standard + 4 x 500 sheet optional drawers) <sup>2</sup>		
<b>Addition supported input options</b>	Optional envelope feeder (capacity 85 envelopes)		
<b>Duplex option</b>	Optional 500 sheet automatic duplex unit available. Duplex print speed (1200 IQ default) up to 32 ppm A4 <sup>1</sup> As 5210n, Duplex print speed (1200 IQ default) up to 36 ppm A4 <sup>1</sup> <i>NOTE: Duplex unit and/or envelope feeder can be installed in addition to maximum 4 x 500 sheet optional drawers</i>		
<b>Standard output destinations</b>	250 sheet bin		
<b>Additional output destinations</b>	Up to three optional 650 sheet output bins can be fitted (stacked vertically)		
<b>Maximum output capacity</b>	2200 sheets (250 output bin standard + 3 x 650 sheet optional output bins)		
<b>Supported media types, sizes and paper weights</b>	<ul style="list-style-type: none"> <li>Media types supported: Paper (plain, preprinted, letterhead, prepunched, bond, recycled, colour, rough), transparencies, labels, envelopes, cardstock</li> <li>500 sheet drawers: Sizes supported - A4, A5, JIS B5, US Letter, US Legal. Media types and weights supported - paper 60 to 175 gsm, cardstock up to 175 gsm (grain long) or 215 gsm (grain short), transparencies 135-145 gsm</li> <li>Multipurpose tray: Sizes supported - A4, A5, JIS B5, US Letter, US Legal: Envelopes - DL, C5, B5: Env7 ¾, 9 Env, 10 Env, Custom Env. Media types and weights supported - paper 60 to 135 gsm, cardstock (grain long) 120-135 gsm, cardstock (grain short) 160-175 gsm, transparencies 135 to 145 gsm: envelopes 60 to 105 gsm. <i>NOTE: tray capacity for transparencies is 90% of nominal capacity only</i></li> </ul>		
- Standard and optional output bins	<ul style="list-style-type: none"> <li>Standard: Sizes supported - A4, A5, JIS B5, US Letter, US Legal. Media types and weights supported - paper 60 to 175 gsm, cardstock up to 175 gsm (grain long) or 215 gsm (grain short), transparencies 135-145 gsm, envelopes 60-105 gsm.</li> <li>Envelope feeder (optional): DL, C5, B5, Env7 ¾, 9 Env, 10 Env, Custom Env - media weight 60 to 105 gsm</li> <li>Duplexer (optional): A4, A5, JIS B5, US Letter, US Legal. Media types and weights as per 500 sheet drawer.</li> </ul>		
<b>Page layout options</b>	Portrait or Landscape orientation, multiple copies, duplex printing, multipage printing (N-up), booklet printing, watermarks, overlays, account tracking		
<b>Printable area</b>	Within 4 mm of all edges of the media		
<b>Connectivity</b>			
<b>Interfaces</b>	Hi-Speed USB 2.0 port, IEEE 1284-B compliant parallel port, Ethernet port (cables not included)		
<b>Print languages and fonts</b>	HP PCL® 6 emulation: 89 scalable fonts, 2 bitmapped fonts. PostScript® 3 emulation: 158 scalable fonts		
<b>Client Operating Systems (OS)</b>	Windows® 98SE, Me, NT 4.0 (parallel and network connections only), 2000, XP, XP 64 bit, Server 2003, Mac OS 9.x/10.2, UNIX®, Linux		
<b>Network Operating Systems (OS)</b>	Windows® 98SE, Me, NT 4.0 SP6a (parallel and network connections only), 2000 SP2-4, XP SP1-2, XP 64 bit, Server 2003, Server 2003 SP1, Server 2003 x64, Novell Netware 5.x/6.x, Mac OS 9 v0.2, Mac OS 10.2/10.3/10.4, Red Hat Linux WS 3.0/4.0, SuSE Enterprise Linux Server 8.0/9.0, SuSE Linux Professional 9.0/9.1/9.2, Debian GNU/Linux 3.0, Linspire 4.5, Red Flag Linux Desktop 4.0 (Simplified Chinese), Citrix Metaframe, Windows Terminal Services, Red Hat Linux Desktop 4.0 (Simplified Chinese), Citrix Metaframe, Windows Terminal Services		
<b>Network protocols</b>	TCP/IP, LPD, FTP, IPP, IPX/SPX, DLC/LLC, AppleTalk, Auto-IP, NCP, Telnet, SLP, IGMP, BOOTP/DHCP, WINS, SNMP (v1, 2C, 3), HTTP		
<b>Wireless options</b>	IEEE 802.11 b/g via Dell 5210 / 5310 Wireless Option, available via internal card ( <i>Available in Western European markets only</i> )		
<b>Wireless security protocols</b>	Wi-Fi Enterprise Certified, WPA - PSK, WEP (32 bit and 128 bit), Authentication Methods: EAP/MD5, EAP/MSCHAPv2, EAP/TLS, EAP/TTLS, LEAP, PEAP		
<b>Wireless setup</b>	USB Wireless Setup Utility CD, Ad-Hoc mode using Embedded Web Server (EWS)		
<b>Consumables</b>			
<b>Toner Management</b>	In conjunction with the printer and software, features include toner level reporting, low toner alerts, auto-generated alert e-mails, toner conservation, Web access via Dell Printer Web Tool, and the Dell Consumables Management System™		
<b>Toner cartridge capacity<sup>3</sup></b>	Both 'Use & Return' (recyclable) and 'Standard cartridge' versions available, in 'standard capacity' (approx. 10 000 pages at 5% coverage or 'high capacity' variants (approx. 20 000 pages at 5% coverage). The printer ships with a standard capacity recyclable toner cartridge. <b>The 5310n supports the additional option of 'extra high capacity' toner cartridge (approximately 30 000 pages at 5% coverage, ISO 19752 yield measurement) for lowest cost per printed page and maximum economy in print costs</b>		
<b>Additional toner</b>	Available through Dell online or by telephone		
<b>Toner recycling</b>	Toner cartridges are recyclable using Dell's recycling programme, details of which are included with each product		
<b>Additional consumables</b>	Fuser maintenance: Dell Laser Printer Next Business Day service includes fuser maintenance parts and part replacement for the duration of the service contract
